

The CIBD Sustainability in Brewing Conference 2025

PROVISIONAL PROGRAMME - THURSDAY 03 JULY 2025

10:00am	Arrival and registration		Exhibition hall
10:00 – 11:00	Trade session, including coffee		
11:00 – 12:30	CONFERENCE OPENING AND KEYNOTES		Main Auditorium
	11:00 – 11:30	KEY01: Developing ‘Plan A’ with Marks & Spencer Mike Barry, <i>mikebarryeco</i>	
	11:30 – 12:00	KEY02: Diageo, Global Head of Sustainability – an update Kristin Hughes, <i>Diageo</i>	
	12:00 - 12:30	PANEL 01: Creating the renewable brewery of the future tbc	
12:30 – 13:30	Working lunch		Exhibition hall
	13:00 – 13:30	Sponsored Workshop 01 tbc	
13:30 – 15:00	BREWING ENERGY		Main Auditorium, Conference rooms A and B
	13:30 – 14:00	TS01: Maximum solar power for sustainable brewing Tim Roebuck, <i>Altrato</i>	
	14:00 – 14:30	TS02: Steineker Brewnomic: The brewing power station Alex Hinds, <i>Krones</i>	
	14:30 – 15:00	TS03: The journey to net zero in production Jonathan Redman , <i>Heineken UK</i>	
		BARLEY AND MALTING	
		TS04: Supporting the transition to sustainable sourcing David Griggs, <i>Crisp Malt</i> Anna Powell / Ben Hunt, <i>Map of Ag</i>	
		TS05: Collaborating for a more sustainable supply chain Ben Gothorp, <i>Simpsons Malt</i>	
		PANEL 02: Barley/malting roundtable tbc	
15:00 – 15:30	Coffee / tea		Exhibition hall
	15:00 – 15:30	Poster Session	
15:30 – 17:30		HOPS	Main Auditorium, Conference rooms A and B
	15:30 – 16:00	TS06: Building a sustainable, innovative and resilient hop supply chain Guy Perry, <i>Steiner Hops</i>	
	16:00 – 16:30	TS07: Developing new hop varieties to face the challenges of climate change Will Rogers, <i>Charles Faram</i>	
	16:30 – 17:00	TS08: Helping hop growers adapt to climate change Ivan Tučník, <i>Asahi</i> TS09: Future proofing UK hop production for a changing climate through genetic informed breeding Klara Hadju, <i>Wye Hops</i>	
	17:00 – 17:30	PANEL 03: Hop roundtable tbc	
		WATER USE / RECOVERY	
		TS10: Exploring Impacts on Water, Energy, and Carbon Andrew Mieleniewski, <i>Briggs of Burton</i>	
		TS11: Recovering energy and water from site effluent Andy Burgess, <i>NSI UK</i>	
		TS123: Total Water Management Søren Nøhr Bak, <i>NIRAS</i>	
		TS13: Brewing water efficiency – The gateway to sustainability in the brewing industry Detlef Geerlings, <i>Diversey</i>	
17:30 – 20:00	Beer and BBQ - Networking Evening		Exhibition hall and lakeside terrace

The CIBD Sustainability in Brewing Conference 2025

PROVISIONAL PROGRAMME - FRIDAY 04 JULY 2025

08:30am	Arrival			Exhibition hall
08:30 – 09:00	Trade session, including coffee			
09:00 – 10:30	MISC		SMALL BREWERY	Main Auditorium, Conference rooms A and
	09:00 – 09:30	TS14: Maximising efficiency without CAPEX - The role of processing aids in brewing Celina Dugulin, Murphy and Son	TS17: CO2 collection at craft-level. Kim Dalum, Dalum	
	09:30 – 10:00	TS15: Decarbonisation of Process heat for brewing a Techno-economic model Samuel Birch, University of Leeds	TS18: tbc	
	10:00 – 10:30	TS16: tbc	PANEL 04: Small brewers forum tbc	
10:30 – 11:00	Coffee / tea			Exhibition hall
	11:00 – 11:30	Poster Session		
11:00 – 12:30		PACKAGING	ESG	Main Auditorium, Conference rooms A and
